

TESTIMONIALS

"On my two trips with Carr Golf, the golf was wonderful, but the organization of the trip and the follow-up by the Carr staff was the key to making our trips so great..."

The experience completely exceeded all of my expectations...

I just wanted to let you know what an incredible job Mark Byrne has done for me and my clients. We just returned from a trip to St. Andrews and the experience completely exceeded all of my expectations. Mark was a tremendous help to me during the entire process... he looked after all of my questions (and there were a lot of them!), he was very patient, and he made sure all of the details (even the very small ones) were met with nothing left to chance. He also checked in with me during the trip a few times to make sure everything was OK which I really appreciated. Planning a trip like this for important clients takes a lot of work and planning, and Mark was a thorough professional during the entire process. I am sure you get emails like this from other happy clients about Mark, but I wanted to make sure you heard from me as well. If our group decides to do another trip like this, I assure you I will use Carr Golf Travel....and of course, I will ask for Mark.

I Will Be Back In August...

Thank You for a very nice trip to Ireland. The weather was good, all the service from your company excellent and Peter and John just great. I will be back in August with another party to go golfing/fishing around Ireland. Hope you can help us with that. I am also likely to travel with you again next year as we love the windy links, the chopper and your excellent service!
Again, thank You.

Your team did such a wonderful job on every detail - the whole trip seemed seamless.

As we finish up our final interactions with Carr Golf Travel for the 2008 Board trip, we wanted to send you a note to say thank you for all the work your team did for us to make this trip a smashing success. We know the time and dedication it takes to make sure that every little detail is looked after and taken care of. Your team did such a wonderful job on every detail - the whole trip seemed seamless. Any little problems that did arise were handled quickly and quietly with unmatched grace and charm.

The team went above and beyond the call of duty many times to ensure that the trip was an extraordinary experience. They dealt with challenges swiftly and with courtesy. Many of the trip participants commented on Peter and his personal investment in the trip - the day in Derry in particular with John Hume. They were touched that he was so moved and we felt honored to have impacted him in such a way. As for Catherine, she is organized beyond belief, totally unflappable, kind, caring, dedicated, efficient... the list goes on and on. Our Board members loved her, as did we, and felt totally taken care of the entire trip.

Again, thank you for everything you and your staff did to help us with this trip. It was an amazing experience.

We look forward to working with you again and will definitely recommend you for future business

I just wanted to tell you what an outstanding job your staff did with the NBC program at the Ryder Cup. Catherine was extremely professional and thorough from start to finish and was a delight to work with. Sinead, Cathy and Peter were excellent on site and prior to our arrival. They were absolute pleasures to work with; nothing was ever a problem, no matter what we asked for. You should be extremely proud of your team, as they couldn't have been better representatives of you and your company. We will certainly look forward to working with you again and will definitely recommend you for future business. Thanks again for everything.

Everything was perfect

Trip was very well planned and everything was perfect. We told her what we wanted to do and she made it happen. Everything she set up for us was perfect. You pay for what you get. If you want the best Sarah is the one. She is a diamond in the rough.

It's the personal attention you provide that makes you outstanding

What more can I say about the hard working, dedicated young lady who was with us all the way if not in person but in spirit. I would recommend Carr Golf Travel to anyone travelling to Ireland for a golf holiday. You are the best. As I said to you in Dublin Marty, it's the personal attention you provide each person and group that makes you outstanding.

I must admit that I had concerns regarding dealing with a firm that is thousands of miles away...

Unfortunately, we have now returned from Ireland and a fantastic golfing trip is over; it went far too quickly. It is a pleasure to deal with an individual who is responsive as Sean is, and who handles himself in a totally professional manner. I must admit that I had concerns regarding dealing with a firm that is thousands of miles away. However, Sean was so responsive and communicated so well that my concerns quickly evaporated. We are very pleased to have entrusted our arrangements to Carr Golf Travel and only have positives for the service we have received. We are pleased to recommend Carr Golf Travel to our friends or others who may inquire regarding trips to areas you serve. Please be aware that we are already working with Sean on next year's golf trip to the Dublin area (with perhaps a side trip to Machrihanish & Machrie). Again, Thanks Very Much,

When I returned, I received rave reviews

To recap, I was the planner for a very senior level Citigroup Outing in Inverness, Scotland and had the opportunity to work with Carr Golf Travel. During this week, clients, guests and Citigroup Directors played golf, participated in a variety of local activities and enjoyed the Scottish culture.

The event was extremely important for the Citigroup Directors due to the seniority of clients and business being conducted. All details were perfect thanks to the assistance of Catherine. She was by my side the entire time from the planning stages until the final airport departure. She and I became a team, working together to create a very successful event. I could count on Catherine for everything! Everything she did was done to perfection. The clients and guests enjoyed Catherine and commented on how well she knew the area and golf courses.

Since this was the first trip to Scotland for many of the clients they looked to Catherine for guidance and comfort. The vendors Catherine hired for transportation and tours were an excellent addition to the team. Everyone was professional, polite and extremely attentive. It was their goal, along with Catherine's to ensure all clients and guests had an excellent week. This goal was achieved with high marks. When I returned, I received rave reviews from many clients and the Citigroup Directors. They expressed their appreciation for a job well done. This credit must be shared with Catherine and her team because I could not have done it without them. I am looking forward to working with Carr Golf Travel & Catherine again in the near future. Thank you again for a very successful event.
