***About the Northern California Section of the PGA of America (NCPGA)***

Organized in 1920 to promote interest in the game of golf, the birth of this association was heralded as an important step to the advancement of the game in this district. The Northern California Section is one of the forty-one designated Sections of the PGA of America, the world's largest working sports organization. With over 1,100 dedicated PGA Professionals and apprentices at over 500 golf facilities in Northern California and Northwestern Nevada, the association continues to have a positive impact on the game of golf and communities both regionally and nationally.
